Re: Petition of the Office of Regulatory Staff for Declaratory Order Against Seahorse  
Investment and/or Britt Gaston Requiring Certification as a Water and Sewer Utility in the  
Posting of Performance Bond

Docket No. 2008-192-WS  
YCR File: 13819-20080994

Dear Mr. Terenni:

I am writing to request one additional thirty day extension of time to file an answer on behalf of Britt Gaston in the above-referenced case. The Commission recently granted an extension until July 23, 2008. By my calculations, if granted, the answer would be due Friday, August 22, 2008.

We are continuing work with the Office of Regulatory Staff and are very close to submitting a resolution for the Commission's review. It is my expectation that we will submit the proposed resolution to the Commission well before August 22<sup>nd</sup>.

Shealy Reibold, the attorney handling this matter on behalf of the Office of Regulatory Staff, has authorized me to communicate that she does not object to the extension request.

I look forward to the Commission's response, and please do not hesitate to contact me with any questions or concerns.

With kindest regards, I am

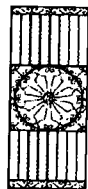

Sincerely,

YOUNG CLEMENT RIVERS, LLP
